

North Petherton Primary School

Breakfast Club

Behaviour Agreement

At Breakfast we provide a place for children to eat, relax, play games and have fun before school. It is very important to us that all the children who attend the club feel welcome, happy and safe, and in order to achieve this we have set down some ground rules. We expect all of our children to follow the rules and to work together to make the club a fun place to be. We also need to ask for support from parents, to ensure that our messages are consistent.

We expect all children to:

- Listen to each other, and respect each other's opinions.
- Be kind to each other.
- Speak to each other respectfully and kindly.
- Go to an adult for help if someone is upsetting or hurting them.
- Look after the resources.

All of the adults at club will in addition to the above:

- Listen to everyone.
- Share information with teachers or other adults in the school, because we all work together.

We ask all parents/carers to:

- Support our behaviour systems and reinforce our rules at home.
- Share information with us if something has happened at home that may be having an impact on your child's behaviour.

We appreciate that our club will be used as child care for families who work. however, our priority is the safety and wellbeing of our children and we will not tolerate any child's behaviour impacting on our safe environment. Thank you very much for your support.
