HEADTEACHER MESSAGE

Dear Parents, Carers and Pupils,

A Week of Celebration at NPCPS!

What a fantastic week it has been at NPCPS, with so much to celebrate across our school community.

Our Year 1 children have approached their Phonics Screening Check with confidence, enthusiasm and determination, demonstrating the progress they have made throughout the year. We are incredibly proud of their efforts and positive attitudes.

A huge well done also to our Year 4 pupils who have completed their Multiplication Tables Check. They have shown resilience, focus and perseverance, and should be very proud of themselves.

Across the school, pupils have taken part in a range of assessments and learning activities, approaching every challenge with dedication and a desire to succeed. It has been wonderful to see children demonstrating our school values and striving to do their very best.

We have also enjoyed the fantastic Bikeability sessions this week, helping pupils develop important life/road safety skills, confidence and independence. Thank you to the team that helped them.

Our children have made everyone very proud. Their perseverance, commitment and amazing progress are a reflection of their hard work and positive attitudes to learning. A heartfelt thank you goes to our incredible staff team, community helpers and parents who continue to support our children every step of the way. Your encouragement, dedication and partnership make such a difference.

Together, we continue to create a school where everyone is welcome, everyone belongs and everyone succeeds.

A huge well done to everyone involved!

We hope you all enjoy the incredible weather this weekend and have a wonderful time with family and friends.

Best wishes,

The NPCPS Team!

MINI POLICE

Our lovely Mini Police visited Bridgwater Police Station this week. Our local PCSO gave them a tour of the station where they saw the daily briefing room, an interview room and lots of different departments. They got to speak with a member of the forensics team who told them all about her job in crime scene investigating and a police officer and sergeant who talked about their jobs, uniform and all the equipment they carry. The best part of the afternoon was definitely hopping in the police cars and vans and even locking Mrs Mills in the back! Thank you to parents for supporting the visit and to our PCSO Trevor for the tour!

A SPECIAL DELIVERY

Mrs Lawson met the Mayor of North Petherton Damian Baker. Yesterday we had a lovely visit from Tesco's store manager, Damien, who donated our school free fruit and veg as part of the Tesco Fruit for Kids Scheme. Thank you!

NO OUTSIDERS

This week in our KS2 assembly, we explored the British Values of tolerance and respect. We talked about how these values help us to understand and celebrate the differences between people, while also recognising what we all share. As part of this, we looked at how symbols, such as the Pride flag, can represent kindness, inclusion and the importance of treating everyone fairly. The children discussed how showing respect for others—no matter their background, beliefs or identity—helps to create a happy, safe and welcoming school community for all.

BIRTHDAYS

- 😊 Willow from Hare class who was 8
