HEADTEACHER MESSAGE

Dear Parents/Carers,

As we come to the end of another wonderful and busy period in school, I would like to take a moment to celebrate some of the fantastic events that have taken place and to thank everyone who has contributed to making them such memorable experiences for our children.

Our Key Stage 2 Sports Day was a tremendous success, Thank you Mrs Hill and supporting staff. It was a joy to see our pupils demonstrating determination, teamwork, resilience and excellent sportsmanship throughout the day. The enthusiasm and encouragement shown by the children, staff and families created a wonderful atmosphere and made the event truly special.

A huge thank you must also go to our PTFA, whose continued support and dedication make such a positive difference to our school community. Their hard work, generosity and commitment help to provide valuable opportunities and experiences for our children, and we are incredibly grateful for everything they do.

We were also delighted by the outstanding Year 6 production, Ye-Ha!. The children performed with confidence, energy and enthusiasm, showcasing their talents brilliantly. It was wonderful to see their hard work come to life on stage and to watch them entertain audiences with such professionalism and joy. We are all extremely proud of them. Thank you to all the staff for helping to produce such a professional theatre performance.

I would like to extend my sincere thanks to all members of staff who have worked tirelessly behind the scenes to organise, rehearse, support and deliver these events. Their dedication, creativity and commitment ensure that our children enjoy rich and memorable experiences that they will cherish for years to come.

Finally, thank you to all our parents and carers for your positivity, encouragement and ongoing support. Your involvement and enthusiasm help make these events so successful and contribute greatly to the warm, welcoming and community-spirited environment that makes our school such a special place.

Together, we continue to create wonderful opportunities and lasting memories for our children, and for that I am truly grateful.

Have a lovely weekend.

Mrs Lawson and the NPCPS Team

COOKIE DONATION

Thank You to North Petherton Tesco

A huge thank you to Damian Baker and the team at North Petherton Tesco for the wonderful donation of over 400 cookies for every child in our school on Monday, 13th July.

Your generosity and continued support are greatly appreciated by all of our children and staff.

We would also like to thank you for the additional fruit you kindly donated, which will help provide healthy snacks for some of our more vulnerable children.

We are incredibly grateful for your kindness and community spirit. We wish Damian and the entire Tesco team a very happy and well-deserved summer holiday!

YEAR 3 & 4 ATHLETICS CHAMPIONS!

A couple of weeks ago, our Year 3 and 4 athletics team competed against several local schools in an exciting athletics tournament.

We are incredibly proud to share that, for the first time ever, North Petherton Primary School won the competition! The children were fantastic ambassadors for our school, demonstrating excellent behaviour, great sportsmanship and encouraging one another throughout every event.

As well as receiving gold medals, the team also brought home the winners' shield, which will now proudly display North Petherton Primary School's name.

A huge well done to all of the children involved—you should all be incredibly proud of this amazing achievement!

IF YOU GO DOWN TO THE WOODS TODAY...

We had the best day this week where we spent the day at Kings Cliff. The children played in the stream, looked for dragons, found a dragon footprint, went on the rope swing, had a treasure hunt, slid down the mud hill, found treasure, made ramps, climbed a mountain and more! The children remembered our school rules or be kind, be respectful and be safe and even though they came back looking as though they had badly applied fake tan, the mud washed off but we have the memories to keep forever! To quote one child, 'This is the best day ever!'

END OF KS1 PERFORMANCE

On Thursday, we were thrilled to welcome parents of year 2 to watch our performance of 'Dream Big!' The children worked together to perform songs, recite poetry and share their favourite memories of KS1. Young children benefit greatly from performing to an audience, as it helps build confidence, communication skills, and self-esteem in a supportive environment. Performing also encourages creativity, teamwork, and resilience, giving children a sense of achievement while celebrating their hard work and progress with family, friends, and their wider community. It was so lovely to see their grown confidence.

It was a lovely way to end their KS1 journey, and we look forward to watching them continue to shine in Year 3. Dream big, year 2!

FRENCH DAY

We had a fantastic time celebrating French Day! The children enjoyed a delicious French-inspired breakfast of croissants, strawberries and fruit juice before taking part in a range of exciting activities, including playing boules on the field, learning about famous French artists, discovering countries around the world where French is spoken, and completing a French cognate word trail around the school. It was a fun-filled day that brought language and culture to life! A huge thank you to the PTA for sourcing the food and drink!

NO OUTSIDERS

This term, our No Outsiders lessons have continued to promote kindness, respect, inclusion and understanding across the school. Through a range of engaging storybooks, discussions and activities, the children have explored themes such as friendship, diversity, belonging and celebrating differences.

We are incredibly proud of how our pupils have embraced these values, showing empathy and respect towards others and recognising that everyone is unique and valued. These important conversations help children develop confidence, acceptance and a strong sense of community, ensuring that everyone feels welcome and included.

Thank you for your continued support in reinforcing these values at home. We look forward to building on this learning next year as we continue to celebrate that there are 'No Outsiders' in our school community. 🌈

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.

MENTAL WELLBEING

SUMMER

Brought to you by stem4

YOUR MENTAL HEALTH MATTERS

Whilst summer is a welcome break, it can bring unexpected pressures which range from missing social connections, adjusting back to being with family full time, a change from academic structure and for some, exam results and decisions.

It's important to remember
your mind matters this
summer

TOP TIPS...

- 1 Pace how you slow down**
Keep at least one purposeful activity in your day, even with a slower pace.
- 2 Check in on your connections**
Stay in touch with friends through messages or calls, and spend time reconnecting with family too.
- 3 Keep some routine**
Regular sleep, meals and activity help. Use summer to build wellbeing habits that last.
- 4 Move because it feels good**
Exercise doesn't have to be about changing how you look. Try activity that helps you feel energised and boosts your mood.
- 5 Enjoy summer without spending loads**
Some of the best summer activities are free. Explore local parks, galleries, libraries, community events, outdoor swimming spots or check out free activities for young people in your area.
- 6 Manage results, gently**
Stay focused on the here and now. If you have results, plan next steps gradually.
- 7 Reach out if you need to**
If mental health challenges strike or persist, reach out for help this summer.
