HEADTEACHER MESSAGE

Dear Parents/Carers,

Hooray to 2025-2026!!!

As we come to the end of another fantastic school year, I would like to wish all of our families a wonderful, safe and relaxing Summer 2026.

To our amazing Year 6 children, congratulations on reaching this important milestone. We are incredibly proud of everything you have achieved during your time at NPCPS. As you move on to the next stage of your education, we wish you every success, happiness and confidence in your new adventures. Never stop believing in yourselves—you will always be a valued part of the NPCPS family.

This year we also say a fond farewell to some of our wonderful members of staff. Thank you for your dedication, kindness and commitment to our school community. We wish each of you every happiness and success as you begin your new adventures. You will be greatly missed.

I would also like to take this opportunity to say a heartfelt thank you to our PTFA, our incredible staff, our Governors and all of our parents and carers for the unwavering support you have shown our children, our school and me throughout the year. Your encouragement, generosity and partnership make such a positive difference, and I am truly grateful.

Finally, I want to say how incredibly proud I am to be the Headteacher of NPCPS. It is a privilege to lead such a caring, supportive and dedicated school community. Watching our children learn, grow and achieve every day is a constant source of pride and inspiration.

Thank you all for making this such a memorable year. Have a fantastic summer holiday, enjoy making special memories with your families, and we look forward to welcoming everyone back refreshed and ready for another exciting year.

Best wishes,

Mrs Lawson and the NPCPS Team

GOODBYE AND GOOD LUCK

A Fond Farewell to Our Wonderful Year 6

As another school year comes to an end, we would like to say a huge thank you to our incredible Year 6 children. It has been an absolute privilege to watch you grow, learn and flourish throughout the year. Your resilience, kindness, humour and determination have made us immensely proud every single day.

The past few weeks have been particularly memorable. Our Year 6 production was nothing short of spectacular! Every child gave their all, performing with confidence, enthusiasm and huge smiles. It was a wonderful celebration of all their hard work and talent, creating memories that will last for years to come.

We also had an amazing time at our Year 6 Leavers' Fest. It was the perfect way to celebrate the end of primary school together, filled with laughter, fun and friendship. We know it is a day that the children will treasure forever.

A very special thank you must go to our fantastic PTFA, whose hard work, dedication and generosity made the festival such an incredible success. From the planning and preparation to the activities on the day, every detail helped create a truly magical experience for our children. We are so grateful for everything you do to support our school community. To our Year 6 children, thank you for making this year so special. We wish each and every one of you every success as you begin your exciting secondary school journey. Continue to believe in yourselves, work hard, be kind and never stop reaching for your dreams. We know you will all go on to achieve amazing things.

And that's a wrap!

Good Luck!

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.

Helpful Tips for Bedtime

Tips for parents and carers from The Sleep Charity

As bedtime is such an important part of your child's routine, it's important to make sure it's a positive experience. Here are some tips to help you establish a good bedtime routine.

- **Have a set bedtime** - try to stick to a consistent bedtime routine for your child.
- **Establish a bedtime routine** - this should include activities that are calming and relaxing, such as reading a book, listening to music, or a warm bath.
- **Limit screen time** - avoid screens at least one hour before bedtime.
- **Keep the bedroom dark** - use blackout curtains or a sleep mask.
- **Use a nightlight** - if your child is scared of the dark, a small nightlight can help.
- **Comfort your child** - if your child is struggling to fall asleep, try holding them or talking to them.
- **Be consistent** - stick to the routine every night, even on weekends.
- **Be patient** - it may take some time for your child to get used to the routine.
- **Seek help** - if you're still struggling, talk to your GP or a sleep specialist.

MENTAL WELLBEING

SUMMER

Brought to you by stem4

YOUR MENTAL HEALTH MATTERS

Whilst summer is a welcome break, it can bring unexpected pressures which range from missing social connections, adjusting back to being with family full time, a change from academic structure and for some, exam results and decisions.

It's important to remember
your mind matters this
summer

TOP TIPS...

- 1 Pace how you slow down**
Keep at least one purposeful activity in your day, even with a slower pace.
- 2 Check in on your connections**
Stay in touch with friends through messages or calls, and spend time reconnecting with family too.
- 3 Keep some routine**
Regular sleep, meals and activity help. Use summer to build wellbeing habits that last.
- 4 Move because it feels good**
Exercise doesn't have to be about changing how you look. Try activity that helps you feel energised and boosts your mood.
- 5 Enjoy summer without spending loads**
Some of the best summer activities are free. Explore local parks, galleries, libraries, community events, outdoor swimming spots or check out free activities for young people in your area.
- 6 Manage results, gently**
Stay focused on the here and now. If you have results, plan next steps gradually.
- 7 Reach out if you need to**
If mental health challenges strike or persist, reach out for help this summer.
